It is their deaths that ultimately help the rival families of the Capulets and the Montagues find reconciliation. Manga Classics brings an incredible new experience with this adaptation of Shakespeare's most popular and frequently performed plays: Romeo and Juliet.

Sonnets and Poems 1999 In a run-down community hall on the edge of town, a woman has been cooking lunch for those in need. A choir is starting up, run by a volunteer who's looking for a new beginning. A mother is seeking help in her fight to keep her young daughter from being taken into care. An older man sits silently in the corner, the first to arrive, the last to
leave. Outside the rain is falling. Alexander Zeldin's new play is the culmination of a trilogy that began with Beyond Caring - 'Unforgettable' (The Times) - and followed by LOVE - 'the National's play of the year, and then some' (Evening Standard). Described as an uncompromising theatrical experience that goes to the heart of our uncertain times it offers a dose of social realism that taps into the humans behind the headlines. This edition was published to coincide with the world premiere at the National Theatre in September 2019.
